# LCP Adult Volunteer Vaccination Requirements

California Law (SB-792) requires that all parent volunteers at day care centers, including preschools such as Loomis Community Preschool, provide proof of vaccination against measles, pertussis, and influenza.

Please list the parent(s) or other adults that will be working in the classroom. This includes any family members, nannies, etc. that you might want to fill-in for you during the school year.

\*Attach vaccination records for each adult volunteer to this form.\*

Name	TB Test	Measles (MMR)	Pertussis (Dtap or Tdap)

If you do not have a record of your vaccinations, you can get your immunity levels checked and submit a written statement from a licensed physician that you have evidence of current immunity to measles and pertussis. If you have a physical or medical condition that prevents you from receiving vaccinations, you can submit a written statement from a licensed physician stating that immunization is not safe for you.

**Influenza:** We will collect influenza vaccination information in the fall. You will also be able to submit a written statement declining the flu vaccine.

Thank you!
