LOOMIS COMMUNITY PRESCHOOL

Meet our 2015-16 Teachers

Teacher Melissa will be joining us this year as our Tots Teacher. We are so excited to have her join our already amazing teaching staff. She has been a parent at LCP and says that her “favorite thing about LCP is that we are a community of parents and teachers who value play as the foundation for learning. I love that the children at our school spend their day engaged in meaningful activities that involve exploration and discovery, getting messy, and playing with others.”

We are so excited about our teachers for next year! They all love LCP and truly believe in the play-based philosophy!

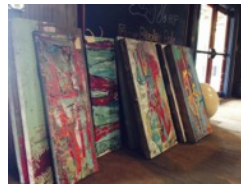

Teacher Robannie will be returning this year as our 2-Day teacher. She is excited to be working with LCP because she loves, “the fact that *families*, not just children, enroll and participate in our school. We are all in this together...” We are so thankful for all that Teacher Robannie contributes to our school. She is so thoughtful about what she teaches and she has an amazing ability to be patient.

Teacher Sherry will be continuing on as our 3/4 Day Teacher. After many years of teaching, she still loves teaching preschool. “I love working with the parents and children. The children always put me in a good mood. They are always happy as they are learning. I love watching them blossom as the year goes on.” Teacher Sherry is in so many ways the backbone of our school. We are so thankful she continues to provide support to our new teachers and wisdom to both our teachers and our parents.

The Bounty of Placer County

Come join us for an amazing night dedicated to celebrating everything Placer County. Dinner will be served by a local caterer; Casque Winery will provide all the wine; local breweries will provide all the beer. There will also be a silent auction highlighting some amazing local artists, businesses and farmers. And to top it all off, we will end the night with a dessert auction, with desserts made by an array of Placer County bakers. Here are just a few of the amazing artists, businesses and farmers who will be a part of our silent auction:

Kermit McCourt: A painter, jewelry maker, furniture designer. He has a shop in High Hand.

48Planks:

Formerly known as High Hand Reclaimed. At the silent auction, David Beseler, a furniture designer, will be auctioning off a custom build farm house table.

Colwell Thundering Herd

Mandarin Ranch: Three generations of a Penryn Family work together to produce this award-winning citrus-flavored olive oil that is enjoyed around the world!

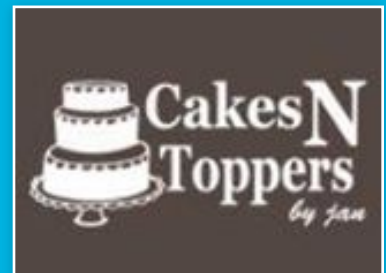

Meg A. Myers: A local artist who uses glass re-purposed from old single-pane windows to make recycled glass terrariums and objects for the home.

Del Oro: Budding artists, welders, and farmers from Del Oro High School will be auctioning off a variety of items.
