### Job Summary & Intro to LCP

LCP offers a unique co-op setting where the entire family is part of the learning experience. Our 3 Day Class is designed for students ages 3-6 years old. We offer a play-based curriculum that encourages exploration, creativity, imagination, and fun! We consider children's age-appropriate needs for both connection and independence as we plan our activities and set up the classroom environment. Experiences at LCP include sensory exploration, connecting with peers, movement, creative expression, outdoor play, experimentation, meaningful interactions with adults, and opportunities for growing independence. The 3 Day Instructor actively participates in, and leads fulfillment of all classroom needs and interactions among students, working parents and fellow staff and board members.

### Qualifications

12+ Units ECE (including core courses)  
Early childhood education experience preferred

### Job Requirements

Pediatric CPR & First Aid Certification — Mandated Reporter Certification — Integrated Pest Management Certification — Live Scan Clearance — Health Report Confirming Negative TB Test & MMR/Tdap Immunizations

### Job Responsibilities

- Under the supervision of the Director, plan and implement an age-appropriate, play-based curriculum
- Establish and maintain a caring, developmentally appropriate, and engaging learning environment
- Build positive relationships with children and families in the program
- Support student behavior and needs through positive discipline and collaboration with caregivers/staff
- Assume responsibility for the physical safety of children during school hours
- Maintain a clean and orderly classroom and playground
- Supervise participating family members in daily activities, classroom duties, and class meetings
- Communicate effectively with children and families in the program on a regular basis
- Work paid hours in addition to scheduled class time for classroom prep/planning, parent conferences, staff/board meetings, professional development, school events, fundraisers, & trainings (approx. 200-250 hours/year depending upon class-reflected in weekly range of 15-21 hours)
- Work a limited amount of weekends and evenings for required meetings, school activities, events, etc
- Adopt a minimal paid summer schedule- classes run September to May at full capacity, summer hours are limited
- Comply with all licensing regulations & uphold school policies and philosophies
